

Armpit hair selfie contest on Weibo

Beginning of June, Chinese feminists launched for the second year an armpit selfie competition on Weibo. Dozens of women have participated, sending pictures of themselves with arms proudly raised, revealing natural hair underneath. Six winners have been selected last Wednesday. The organizer Xiao Meili told CNN "Women should have the right to decide how to deal with their bodies, including small details like armpit hair".

微博上的腋毛自拍照比赛

六月初,中国的女权主义者在微博上发起了第二年腋窝自拍照比赛。几十个女人参加了比赛,发她们自己的照片,自豪地举起胳膊,秀一下腋窝下的自然毛发。上个星期三选了六个获胜者。组织者肖美丽告诉 CNN,“女人应该有权利决定怎么处理她们的身体,包括像腋毛的小细节”。
