

## China to relocate Beijing government from city center to Tongzhou

In an effort to reduce pollution and improve traffic in the city's center, Beijing authorities are planning to move the municipal government, including tens of thousands of civil servants, to the eastern Tongzhou district. The rumor has not been confirmed by government yet but some hospitals, elementary, secondary schools and a new campus for Remin University should also be moved to the area.

### 中国把北京政府从城市中心搬到通州

为了努力减少污染和改善城市中心的交通，北京当局正计划把有成千上万公务员的市政府搬到东边的通州区去。虽然传言还没有被政府证实，但是一些医院，小学，中学和一个人民大学的新校区应该也搬到那个地方。
