

No arm, no loan

After losing both arms because of some electrical accident when he was 5, a man from Henan province recently faced another serious problem. Wu Jianping, 25 years old, decided to buy a flat in Zhengzhou city. To do so, he needed money and thought about asking help from local banks. But when he went to apply for a loan, all the banks refused to lend him money for the same reason: he had no arms, then no fingerprints. No fingerprints, no loan. In the following days, the news became viral on WeChat, and many people protested saying this situation was unfair. Banks quickly changed their minds, and Wu Jianping can now buy his flat!

没有手臂就没有贷款

因为五岁的时候一些电击事故失去了两个手臂以后，一个从河南省来的男人最近面临了另一个严重的问题。二十五岁的吴建平决定在郑州买一个公寓。他要钱，而且想叫当地的银行帮他。但是他去申请贷款的时候，银行都因为一样的原因拒绝借钱给他：他没有手臂就没有指纹。没有指纹就没有贷款。在接下来的几天里，这个新闻在微信上扩散，很多人抗议说这个情况不公平。银行很快就改变了他们的想法，吴建平现在可以买他的公寓了！
